- The fixed interest rates are related to long term market rates at the time of issue. Future fixed rate products may be offered at higher or lower rates depending upon the changes in market conditions.

Please note: the tax treatment of ISAs may change. This is a cash ISA. You may only subscribe to (invest in) one cash ISA in each tax year (although in any such year you may also subscribe to a stocks and shares ISA, subject to the overall ISA subscription limits). By opening a cash ISA you will be limiting the amount you can subscribe to a stocks and shares ISA. For further information about ISAs (including subscription limits) please refer to the Society's leaflet 'Easy Step Guide to Tax-free Savings'.

What about income tax?

The gross rate of interest shown will be payable net of the appropriate rate of income tax (which may be reclaimed by non-taxpayers) or, subject to the required certification, gross. If you are a non-taxpayer and require your interest to be paid gross, an 'Interest with no tax deducted' form is available on request. The tax treatment depends on the individual circumstances of each customer and may be subject to change in the future.

What if I change my mind?

From the date of account opening you have 14 days to notify us (in writing) if you are not happy with your choice of account. Please write to Investment Services, 105 Albion Street, Leeds LS1 5AS. Within that period we will, if instructed by you, refund your investment with interest from account opening, or subject to eligibility, transfer the investment to another account of your choice without any charge for early withdrawal.
